

THORN

OUR MISSION

We **build** technology to **defend**
children from sexual abuse.

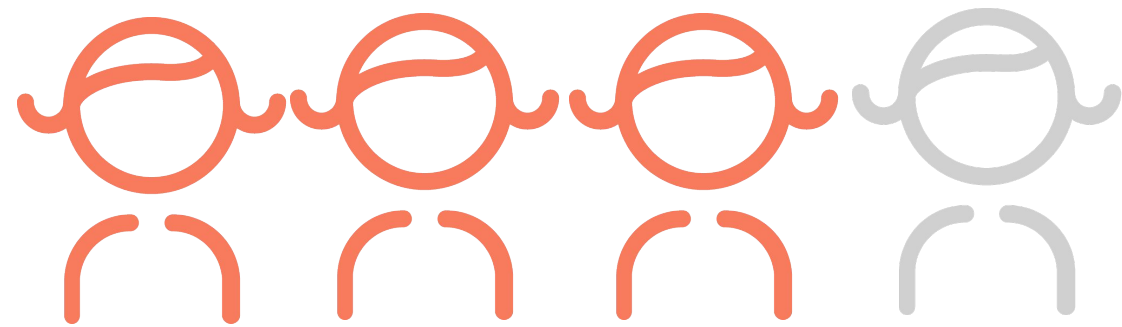

SPOTLIGHT

POWERED BY THORN AND DIGITAL REASONING

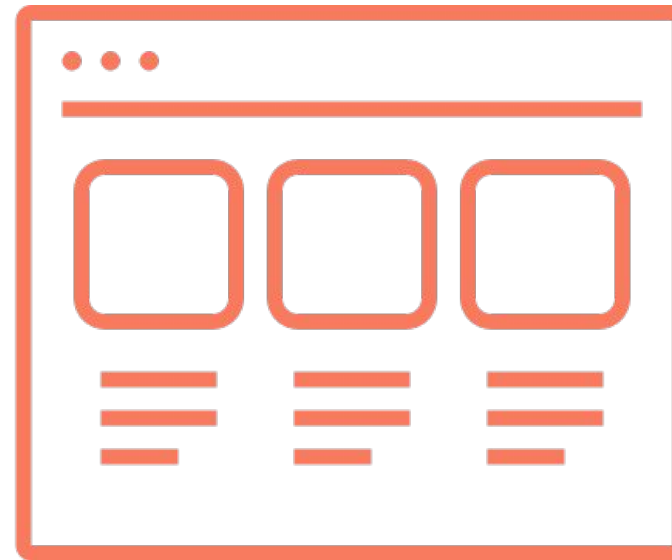

THORN

THE PROBLEM

ONLINE

3 out of 4 underage sex trafficking victims are advertised online.

VOLUME

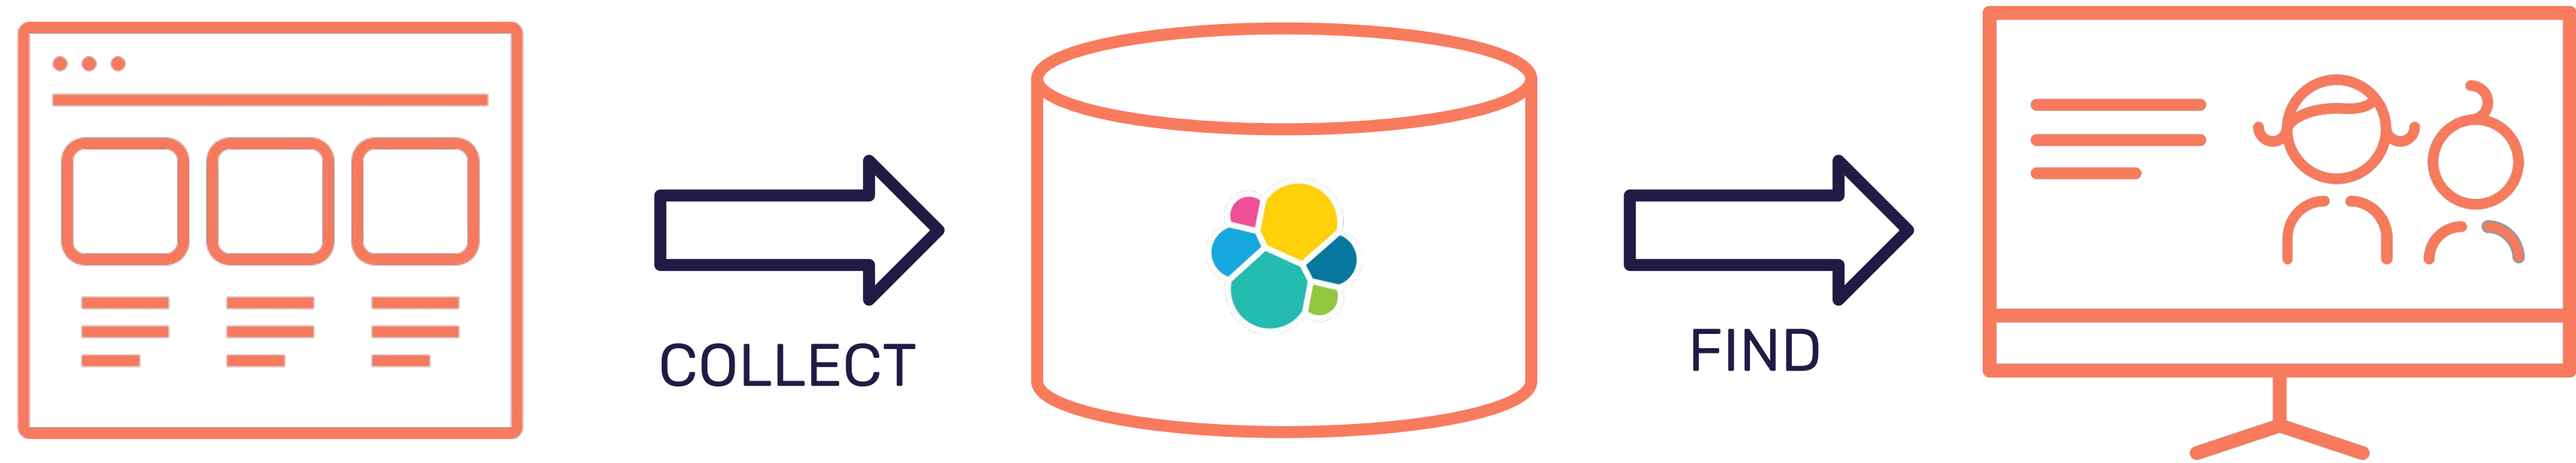

150,000 new ads are posted per day in the US.

TIME

Law enforcement doesn't have time to navigate the online sexual marketplace to find children and identify their traffickers.

THE SOLUTION

SPOTLIGHT IMPACT

Over the last two years
Spotlight has assisted in...

CASES

21K

human trafficking cases

TRAFFICKERS

6.5K

identifying traffickers

ADULTS

12K+

identifying adult victims

JUVENILES

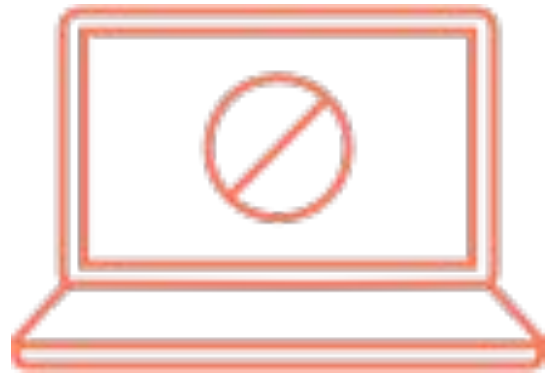

5,791

identifying juveniles

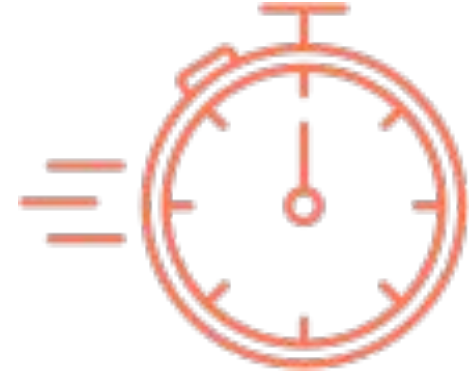

Investigating sexual abuse on the dark web

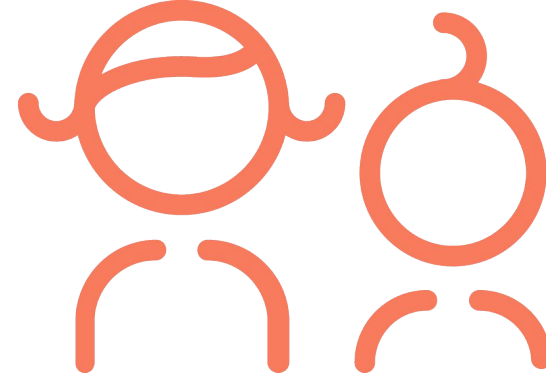

Challenges to investigating the dark web

Difficult to
identify new
sites.

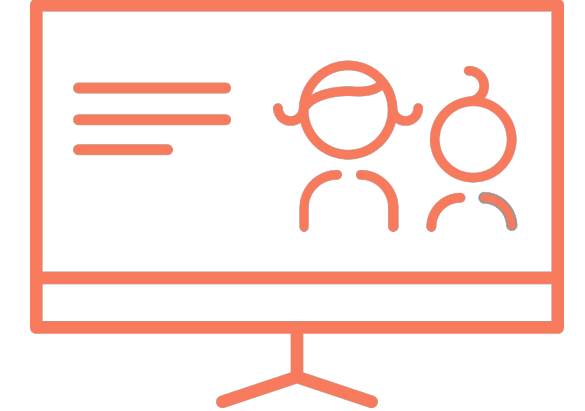

Files expire.
Messages are
deleted.

Identification of
new victims.

No historical
data.

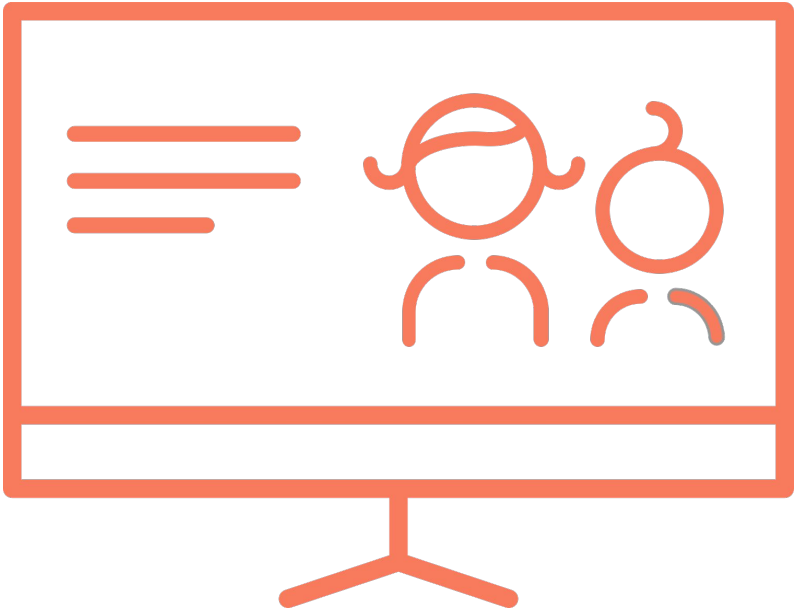

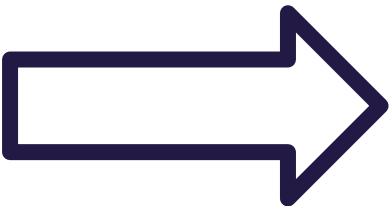

Knowing “who
is who.”

PROTOTYPE

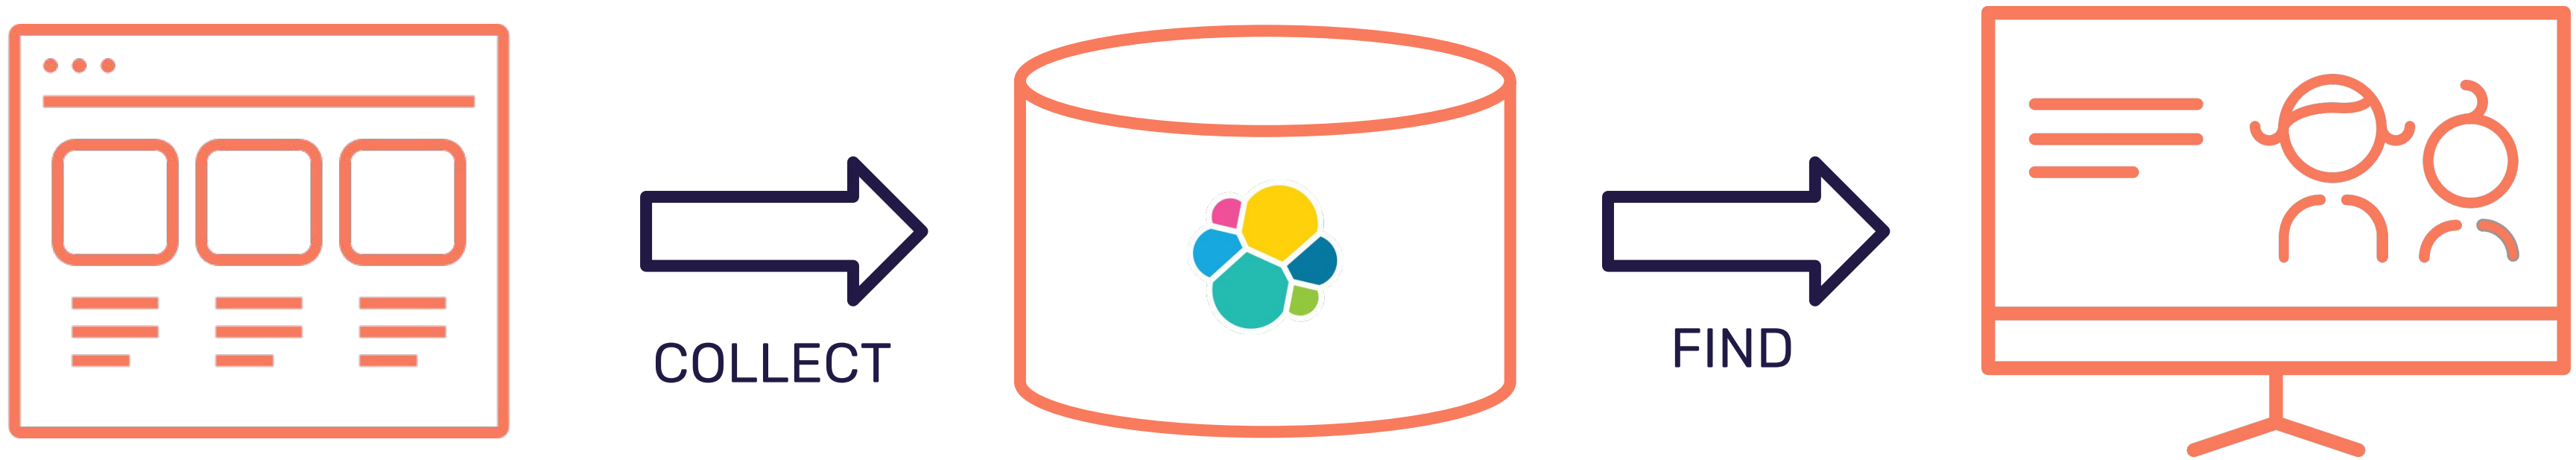

IDEA

PRODUCT

THE SOLUTION

OUR IMPACT

176 investigators

23 countries

55 arrests

100 children rescued

ELASTICSEARCH

IDEATION

SCALE

FIND

There are **tens of thousands** of
unidentified children.

We **won't stop** until every child can be
a kid.

OUR PARTNERS

We can't do this
alone.

It takes more than one
Thorn to protect these
children.

THORN

Thank you
